As

### **Nouveau Performance**

has been a non-profit organization since 1989.

Our multimedia works have been seen in live performance in the San Francisco Bay Area, and Edinburgh, Scotland, on PBS, cable, and independent tv stations throughout the United States, and film festivals around the bay area and in San Antonio, Texas.

As

### **New Name Performance**

we brought the world wide web its first cyberperformance, **VD 2001**, seen globally by over 18,000 people. During 1997 we will continue to join the leading edge of technology to the cutting edge of art with **Hospital of the Mind/** **The Making of Hospital of the Mind**, a simultaneous film and web production.
